The results from the DXG-305v are nothing to get excited about, but they're better than I expected, at least for outdoor use in good light. Indoor shots are poor unless the room is well lit. The white balance setting is adjustable, but I got the best results leaving it on auto.

Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.
