Of the three programs in the Garrison franchise (the Brewer solution, the Garrison solution, and the Noreen solution), the Noreen solution is the most pure management accounting content. The other two programs contain greater coverage of financial accounting topics. Managerial Accounting for Managers 4e is geared towards professors who love Garrison's market-leading managerial accounting content but prefer to approach their course by eliminating the debits and credits coverage. While the accounting system provides information (e.g. product costs, downtime) for management decisions, cost management refers to active use of this information to plan and control costs. Cost management requires managers to actively seek ways to reduce costs. Much cost management occurs well before the accounting system recognises costs.
