Beginner's Guide to Discord - Discord The Beginner's Guide is a narrative video game from Davey Wreden, the creator of The Stanley Parable. It lasts about an hour and a half and has no traditional mechanics, no goals or objectives. Instead, it tells the story of a person struggling to deal with something they do not understand. The Beginner's Guide on Steam The gameplay in The Beginner's Guide is presented in a first-person perspective allowing the player to move about and explore the environment and interact with some elements of it as they progress along the work's interactive storytelling. The player hears details of the various scenes they explore via the game's narrator, Wreden himself, to describe what they see and make conclusions on the nature of the games' developer.
